

standards under the swimming pool and spa safety law and about the prevention of drowning or entrapment of children using swimming pools and spas; and

(C) to defray administrative costs associated with such training and education programs.

(e) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated to the Commission for each of fiscal years 2009 and 2010 \$2,000,000 to carry out this section, such sums to remain available until expended.

#### SEC. 6. MINIMUM STATE LAW REQUIREMENTS.

(a) IN GENERAL.—

(1) SAFETY STANDARDS.—A State meets the minimum State law requirements of this section if—

(A) the State requires by statute—

(i) the enclosure of all residential pools and spas by barriers to entry that will effectively prevent small children from gaining unsupervised and unfettered access to the pool or spa;

(ii) that all pools and spas be equipped with devices and systems designed to prevent entrapment by pool or spa drains;

(iii) that pools and spas built more than 1 year after the date of the enactment of such statute have—

(I) more than 1 drain;

(II) 1 or more unblockable drains; or

(III) no main drain; and

(iv) every swimming pool and spa that has a main drain, other than an unblockable drain, be equipped with a drain cover that meets the consumer product safety standard established by section 4; and

(B) the State meets such additional State law requirements for pools and spas as the Commission may establish after public notice and a 30-day public comment period.

(2) USE OF MINIMUM STATE LAW REQUIREMENTS.—The Commission—

(A) shall use the minimum State law requirements under paragraph (1) solely for the purpose of determining the eligibility of a State for a grant under section 5 of this Act; and

(B) may not enforce any requirement under paragraph (1) except for the purpose of determining the eligibility of a State for a grant under section 5 of this Act.

(3) REQUIREMENTS TO REFLECT NATIONAL PERFORMANCE STANDARDS AND COMMISSION GUIDELINES.—In establishing minimum State law requirements under paragraph (1), the Commission shall—

(A) consider current or revised national performance standards on pool and spa barrier protection and entrapment prevention; and

(B) ensure that any such requirements are consistent with the guidelines contained in the Commission's publication 362, entitled "Safety Barrier Guidelines for Home Pools", the Commission's publication entitled "Guidelines for Entrapment Hazards: Making Pools and Spas Safer", and any other pool safety guidelines established by the Commission.

(b) STANDARDS.—Nothing in this section prevents the Commission from promulgating standards regulating pool and spa safety or from relying on an applicable national performance standard.

(c) BASIC ACCESS-RELATED SAFETY DEVICES AND EQUIPMENT REQUIREMENTS TO BE CONSIDERED.—In establishing minimum State law requirements for swimming pools and spas under subsection (a)(1), the Commission shall consider the following requirements:

(1) COVERS.—A safety pool cover.

(2) GATES.—A gate with direct access to the swimming pool that is equipped with a self-closing, self-latching device.

(3) DOORS.—Any door with direct access to the swimming pool that is equipped with an

audible alert device or alarm which sounds when the door is opened.

(4) POOL ALARM.—A device designed to provide rapid detection of an entry into the water of a swimming pool or spa.

(d) ENTRAPMENT, ENTANGLEMENT, AND EVISCERATION PREVENTION STANDARDS TO BE REQUIRED.—

(1) IN GENERAL.—In establishing additional minimum State law requirements for swimming pools and spas under subsection (a)(1), the Commission shall require, at a minimum, 1 or more of the following (except for pools constructed without a single main drain):

(A) SAFETY VACUUM RELEASE SYSTEM.—A safety vacuum release system which ceases operation of the pump, reverses the circulation flow, or otherwise provides a vacuum release at a suction outlet when a blockage is detected, that has been tested by an independent third party and found to conform to ASME/ANSI standard A112.19.17 or ASTM standard F2387.

(B) SUCTION-LIMITING VENT SYSTEM.—A suction-limiting vent system with a tamper-resistant atmospheric opening.

(C) GRAVITY DRAINAGE SYSTEM.—A gravity drainage system that utilizes a collector tank.

(D) AUTOMATIC PUMP SHUT-OFF SYSTEM.—An automatic pump shut-off system.

(E) DRAIN DISABLEMENT.—A device or system that disables the drain.

(F) OTHER SYSTEMS.—Any other system determined by the Commission to be equally effective as, or better than, the systems described in subparagraphs (A) through (E) of this paragraph at preventing or eliminating the risk of injury or death associated with pool drainage systems.

(2) APPLICABLE STANDARDS.—Any device or system described in subparagraphs (B) through (E) of paragraph (1) shall meet the requirements of any ASME/ANSI or ASTM performance standard if there is such a standard for such a device or system, or any applicable consumer product safety standard.

#### SEC. 7. EDUCATION PROGRAM.

(a) IN GENERAL.—The Commission shall establish and carry out an education program to inform the public of methods to prevent drowning and entrapment in swimming pools and spas. In carrying out the program, the Commission shall develop—

(1) educational materials designed for pool manufacturers, pool service companies, and pool supply retail outlets;

(2) educational materials designed for pool owners and operators; and

(3) a national media campaign to promote awareness of pool and spa safety.

(b) AUTHORIZATION OF APPROPRIATIONS.—There are authorized to be appropriated to the Commission for each of the fiscal years 2008 through 2012 \$5,000,000 to carry out the education program authorized by subsection (a).

#### SEC. 8. CPSC REPORT.

Not later than 1 year after the last day of each fiscal year for which grants are made under section 5, the Commission shall submit to Congress a report evaluating the effectiveness of the grant program authorized by that section.

### SUBMITTED RESOLUTIONS

SENATE RESOLUTION 268—DESIGNATING JULY 12, 2007, AS "NATIONAL SUMMER LEARNING DAY"

Mr. OBAMA (for himself, Mr. ISAKSON, Ms. MIKULSKI, Mr. BUNNING, and

Mr. SANDERS) submitted the following resolution; which was referred to the Committee on the Judiciary:

S. RES. 268

Whereas all students experience a measurable loss of mathematics and reading skills when they do not engage in educational activities during the summer months;

Whereas summer learning loss is greatest for low-income children, who often lack the academic enrichment opportunities available to their more affluent peers;

Whereas recent research indicates that ¾ of the achievement gap between low-income children and their more affluent peers can be explained by unequal access to summer learning opportunities, which results in low-income youth being less likely to graduate from high school or enter college;

Whereas recent surveys indicate that low-income parents have considerable difficulty finding available summer opportunities for their children;

Whereas structured enrichment and education programs are proven to accelerate learning for students who participate in such programs for several weeks during the summer;

Whereas students who participate in the Building Educated Leaders for Life ("BELL") summer programs gain several months' worth of reading and mathematics skills through summer enrichment, and students who regularly attend the Teach Baltimore Summer Academy for two summers are ½ year ahead of their peers in reading skills;

Whereas thousands of students in similar programs make measurable gains in academic achievement;

Whereas recent research demonstrates that most children, particularly children at high risk of obesity, gain weight more rapidly when they are out of school during the summer;

Whereas Summer Learning Day is designed to highlight the need for more young people to be engaged in summer learning activities and to support local summer programs that benefit children, families, and communities;

Whereas a wide array of schools, public agencies, nonprofit organizations, universities, museums, libraries, and summer camps in many States across the United States, will celebrate annual Summer Learning Day on July 12, 2007: Now, therefore, be it

*Resolved*, That the Senate—

(1) designates July 12, 2007, as "National Summer Learning Day", in order to raise public awareness about the positive impact of summer learning opportunities on the development and educational success of the children of our Nation;

(2) urges the people of the United States to promote summer learning activities, in order to send young people back to school ready to learn, to support working parents and their children, and to keep the children of our Nation safe and healthy during the summer months; and

(3) urges communities to celebrate, with appropriate ceremonies and activities, the importance of high quality summer learning opportunities in the lives of young students and their families.

### AMENDMENTS SUBMITTED AND PROPOSED

SA 2065. Mr. KENNEDY submitted an amendment intended to be proposed by him to the bill H.R. 1585, to authorize appropriations for fiscal year 2008 for military activities of the Department of Defense, for military construction, and for defense activities of the Department of Energy, to prescribe
